

WELCOME TO THE *51st Annual*
 DecemberFest Tour
 IN *Sunny* SOUTHERN CALIFORNIA

Since 1972, DecemberFest has welcomed over 1,840 high school counselors, college advisors from independent schools, and leaders of community-based organizations to Southern California for an engaging week of exploration, insight, and connection.

Throughout the week, you'll have the opportunity to tour nine distinct campuses, connect with a diverse array of students and faculty, and engage with admission officers to gain a deeper understanding of each of the institution's selection process. DecemberFest also provides abundant networking opportunities with colleagues from across the nation and around the world. Bring your questions each day—whether they're about student life, admission policies, or our communities. We look forward to sharing our vibrant campus environments with you!
